

Vail School District Site Resident Job Expectations

Selected incumbent will purchase and install a manufactured home on assigned District property, or purchase manufactured home of current resident if available.

District provides utility services, including telephone service in conjunction with the District's telephone service (a local line with no long distance service) at no cost to the employee.

Site Resident must:

- Maintain a valid AZ fingerprint clearance card through term of agreement.
- Be present at residence or on school grounds from 10:00PM-1:00AM six (6) nights per week.
- Supervise the general security of the District's facilities, property, and equipment at all times while on the premises.
- Report any acts of inappropriate conduct, destruction or theft of property.
- Keep home site free and clear of debris at all times.
- Maintain manufactured home unit and the immediately surrounding area.
- Provide and install skirting on home within sixty (60) days of installation date.
- Allow District maintenance personnel or District Administration access to the home site for the purpose of making repairs to the site.
