

ORDERING & DELIVERY

While the many ideas included in this guide provide a variety of options in menu planning, it is impossible to reflect the varied tastes of the entire community. Our staff can help design just the right menu to suit your needs for your social and professional gatherings.

For our grab & go menu, all food selections are individually wrapped and packaged.

ORDERING INFORMATION

Whatever your occasion, we can provide menu selections and custom menus to fit your needs. Contact our Catering Coordinator and help you create your perfect event!
